

EXPANSIONS, INEQUALITIES AND APPROXIMATIONS.  
ON THE OCCASION OF GAVIN BROWN'S 65TH BIRTHDAY  
(University of Sydney, March 5–6, 2007)

## Front Page

### General Information

The School of Mathematics and Statistics of The University of Sydney is organizing this conference to celebrate the 65th birthday of Professor Gavin Brown. It is to be held at The University of Sydney in Sydney, Australia, Monday March 5, and Tuesday March 6, 2007.

There will be 50-minute invited talks and 30-minute contributed talks. For details of these talks, when available, click the link on the left. There is no fee for registering for the conference talks. The venue of the conference talks within the University of Sydney will be given to the registered participants. It will be near the School of Mathematics and Statistics, which is located in the Carlsaw Building (L19 on the Campus Map), very close to the City Road entrance.

There will be a **conference dinner** at the University of Sydney on the evening of Monday, March 5th. Click on the Registration link on the left for details on the cost per person, and methods of payment.

To register for the conference talks and/or the conference dinner, please click on the Registration link on the left and follow instructions. The **deadline** for registration and payment for the conference dinner is **February 23**.

Prospective participants from AMSI member institutions may be eligible for AMSI funded support for their travel expenses, and should consult their head of department.
